## NEWSLETTER

### **PRESIDENT'S COMMENTS**

It saddens me to think we have members who are destroying Club property and not obeying the Club SAFETY rules. We are forced to take drastic measures to see that this stops. Therefore, cameras will be installed throughout the facility and when we see someone unsafe and/or shooting Club property, action will be taken against that person. Every member observing unsafe acts can & should inform the person, in a nice way, that what they are doing does not adhere to the Club rules. If you are not comfortable correcting someone, then inform a Board Member. We don't want anyone to get hurt, that's why we have the Safety Rules!

**SWAP & SHOP** will be **MAY 11**, 8am til 1pm. Bring items related to shooting or hunting to sell or trade., and lots of cash to buy. This is for **MEMBERS ONLY!! Must wear your ID badge.**

Volunteers are needed for Sporting Clays shoots on April 18 and 19. Please let Jenan know if you can work; call or text her at 706-540-8385. Thanks for your help.

We still have Raffle Tickets for the Claybuster fundraiser.

### **Mike Foster**

### **MEETING MINUTES (March 13)**

Mike called the meeting to order at 5:55pm.

We have 1300 members; 345 on waiting list.

Targets Thrown: January	<u>58,984</u>	Targets Sold	<u>56,290</u>
February	<u>88,082</u>	Targets Sold	<u>82,145</u>
Elbert County 4H, modified trap targets (Jan-Mar10)			<u>2,984</u>

January minutes were approved.

**Pistol:** David Torres. The IDPA match scheduled for March 9 was cancelled due to rain. The next one is scheduled for April 13. Someone put clothes pins on the orange fencing walls in bay 3, apparently, hung targets from them and proceeded to shoot and shot holes in the fencing. We furnish target frames for you to staple cardboard (in the black tool box next to the building) to the wooden stakes; then you staple your paper targets to the middle of the cardboard. ALWAYS keep the targets AGAINST THE BERM!! If you want to shoot close to the targets, you walk out from under the canopy and walk to the targets. Jenan noted that the Keowee guys want to reserve bay 4 & 5 next Wednesday, till noon.
